Notice of Privacy Practices

Your Rights Regarding Electronic Health Information Exchange

We participate in the electronic sharing of health information with other health care providers, health plans, and other health care-related entities through HealtheParadigm, a health information organization (HIO). Upon receipt of your signed HealtheParadigm Consent and Authorization Form, your electronic health records, including certain sensitive health information, may be accessible through the HIO to properly authorized users for purposes of treatment, payment, and health care operations, as well as other purposes permitted or required by law. The HealtheParadigm Consent and Authorization will remain in effect unless you subsequently complete a HealtheParadigm Opt-Out Form online at www.HealtheParadigm.com.

If you do not want your electronic health records shared through the HIO, you have the right to refuse to sign the HealtheParadigm Consent and Authorization Form. If you've signed the HealtheParadigm Consent and Authorization Form and later wish to revoke such HealtheParadigm Consent and Authorization, you can opt-out of the HIO by signing the HealtheParadigm Opt-Out Form online at www.HealtheParadigm.com. If you have previously opted-out of the HIO and wish to opt back into the HIO, you may do so online at www.HealtheParadigm.com.

Even if you opt-out of having your health information used and disclosed through the HIO, some of your information may still be available through the HIO to a properly authorized individual as necessary in an emergency, Prescription Drug Monitoring Program or to report specific information to a government agency as required by law (for example, reporting of certain communicable diseases or suspected incidents of abuse).
